I hope you all had an enjoyable long weekend. We have only had 3 school days since the last newsletter so not a lot to report!

Our teaching staff had a very productive day on Friday looking at various things including: School wide assessment and school review. These topics take time and careful consideration so being able to focus on these on a teacher only day was very valuable.

Following on from our school review work, we will be holding a community consultation event in Term 3. The intention of this is to capture the community's thoughts on various aspects of the school including what you currently value (love) about our school, and what your aspirations for the school are. This information, combined with staff and student voice, will help formulate our future strategic planning. I will send out more information towards the end of this term, but thought I would let you know our intentions now so you can start thinking.

The Friends of Weedons had a very productive meeting last Wednesday evening. There are several great events being planned for Term 3 and 4, further detail to follow.

Please make sure that the Drop Off at the front of the school is being used correctly. In the mornings please get children to exit the car on the left (school side) of the car. It is a drop and go so please don't get out of the car and walk them to the gate. If you need to drop them at a gate please use the carpark entrance.

Unfortunately we have had a number of teachers away sick so will need to postpone our Top Performer announcement until next week.

Enjoy the short week.

Principal

## Lost Property

Wow our pile is growing huge, with this in mind please ensure any item of clothing is named! Also remember to check after washing that we can still clearly see a name. Lost property is located in the sick bay, please send your child/ren to come and locate their clothing.
